Join us at SLC this summer as  
we have fun with reading!

## Emergent Reader Program for Students Entering First Grade

The **emergent reader program** will address phonemic awareness, letter/sound relationships, sight word recognition, oral reading fluency, and comprehension skills. The program consists of two hour-long sessions per week for four weeks. Kindergarten reading skills will be reinforced and expanded using a variety of stimulating, fun-filled activities. Group size will be limited to a maximum of three students. Tuition is \$320.

## Book Club for Grades 4 and 5

Summer reading can be fun! Join our **book club** for students entering the fourth and fifth grades. During the first meeting our reading instructor will guide you in choosing a book (or books) corresponding to the interests of the group. Subsequent sessions will include discussions and activities based on the book. The club will meet for one hour twice a week, for four weeks. There will be a July group and an August group. Group size will be limited to a maximum of five members. Tuition is \$240.

## Middle School Book Group

Middle schoolers, have you ever wished that YOU (not your teacher) could pick the books to read? Join our **middle school book group** and help choose the book (or books) that your group will read. Our instructor will guide your book discussion and help you plan activities related to the story. The group will meet for one hour twice a week, for four weeks. There will be a July group and an August group. Group size will be limited to a maximum of five members. Tuition is \$240.
